

EARTHQUAKES

Draw a line to the correct thing you should do in each situation during an earthquake.

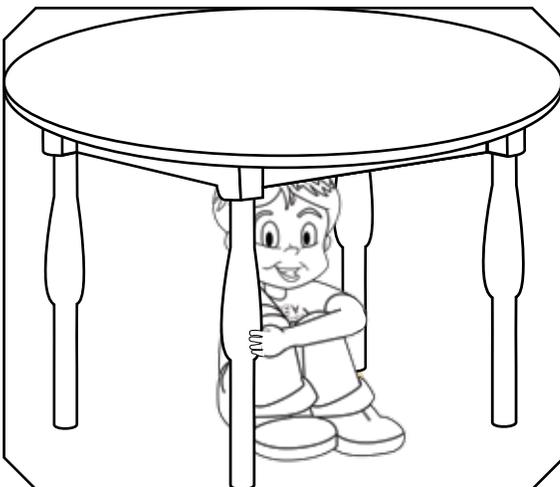

If you are in a car when an earthquake happens, remember to:
Stop quickly and get out of the car

If you are in a car when an earthquake happens, remember to:
Stop quickly and stay in the car, avoid areas that debris can fall from

If you are outdoors when an earthquake happens, remember to:
Move into open areas and hide under a tree, or overpass

If you are outdoors when an earthquake happens, remember to:
Move into open areas and stay away from areas where debris can fall

If you are indoors when an earthquake happens, remember to:
Drop, cover, and hold on to something sturdy

If you are indoors when an earthquake happens, remember to:
Stop, drop and roll
